(The first five members of the initial committee shall serve five years, the next four members shall serve four years, and the last two members shall serve three years. Thereafter, all terms shall be five years.)

Reference City Code, Sections 2-78 through 2-82; Section 420.9076, Florida Statutes, requires appointments to this committee to be made by resolution; Ordinance No. 2008-10 established this committee.

Reference City Code, Sections 2-75 through 2-77, for provisions that generally apply to all boards. Special requirements relating to this board, not included in Sections 2-75 through 2-77, are noted below.

The specific positions listed (citizen who is actively engaged in the residential home building industry, citizen who is actively engaged in the banking or mortgage banking industry, etc.) must all be connected with affordable housing. The citizen who represents essential services personnel, as defined in the local housing assistance plan, means any person employed by educational, governmental and human service agencies; health care personnel; public safety personnel; and any skilled building trades personnel and food service personnel.

Except as noted, members of this committee shall not be subject to the residency requirement established in Section 2-76, City Code. If – due to reasonable factors – Council is not able to appoint citizens actively engaged in these activities in connection with affordable housing, a citizen engaged in the activity without regard to affordable housing may be appointed.

The approval of its local housing incentive strategies and its review of the local implementation of previously recommended strategies must be made by affirmative vote of six members. Six members of the committee shall constitute a quorum. With the exception of action identified in the first sentence of this paragraph, the affirmative vote of a majority of the members present and voting shall be necessary for the adoption of any motion.

Notice of public hearing to recommend adoption of the final local housing incentive strategies must be published in newspaper.

Triennially, the committee shall review the established policies and procedures, ordinances, land development regulations and Comprehensive Plan of the City and shall recommend specific actions or initiatives to encourage or facilitate affordable housing. Recommendations may include modification or repeal of existing policies, procedures, ordinances, etc.; creation of exceptions applicable to affordable housing; or adoption of new policies. At a minimum, the committee shall submit a report to the City Council that includes recommendations on the implementation of affordable housing incentives in specific areas. Thereafter, the committee shall evaluate the implementation of those incentives.

The board generally meets the second Monday and fourth Thursday of each month at 5:30 p.m. in the Council Chamber.

MELBOURNE DOWNTOWN COMMUNITY REDEVELOPMENT  
AGENCY ADVISORY COMMITTEE

7 regular members, 2 alternate members, 3-year terms

Reference Chapter 10, Article II, City Code; Ordinance No. 83-2 established the board; Ordinance No. 99-28 provided for two alternate members; Ordinance No. 2001-11 – minor revisions recommended by Code Review Committee; Resolution No. 1937 – blighted area exists adjacent to current redevelopment area; Ordinance No. 2006-23 adopted a new plan, modified the boundaries, added a sunset provision, and provided for revenue sharing.

Reference City Code, Sections 2-75 through 2-77, for provisions that generally apply to all boards. Special requirements relating to this board, not included in Sections 2-75 through 2-77, are noted below.

The committee serves in an advisory body to the Council in its capacity as the community redevelopment agency for the Melbourne Downtown Redevelopment Project. The duties and services include the preparation of recommended community redevelopment plans and modifications for community redevelopment projects in the Melbourne Downtown Redevelopment Area.

Any person may be appointed to the committee if he resides within the City, or is engaged in business, or owns property within the Melbourne Downtown Redevelopment Area. “Engaged in business” means owning a business, practicing a profession or performing a service for compensation, or serving as an officer or director of a corporation so engaged. However, at all times at least four members of the committee must reside within the City.

Four members of the committee shall constitute a quorum for any action. Alternate members shall attend committee meetings regardless of whether a quorum of regular members is seated. Alternate members may always participate in committee deliberations and debate, but they may make motions and vote only in the absence of a regular member. In the event that six regular members are present and two alternate members are present, the alternate member who may vote and make motions with regard to an agenda item shall be the alternate member who has served on the committee for the longest period of time. The committee may adopt a procedure providing that the two alternate members will rotate as voting members in the absence of a regular member.

The committee has no authority to obligate the city to undertake any community redevelopment project or expend any funds.

The District was created in 1982 and expanded in 2006. The Downtown and northern expansion area will expire in 2022 and the southern expansion area will expire in 2031. When the assessed valuation of all areas exceeds 10 times its original base year valuation, 50% of the revenue for a year produced by the assessed valuation exceeding that threshold will be returned to the taxing authorities contributing said funds.

The committee meets the first Friday in February, April, June, August, October and December, 8:00 a.m., in the Council Chamber of City Hall.

## ZONING BOARD OF ADJUSTMENT

7 regular members, 3-year terms  
2 alternate members, 3-year terms

Reference Section 2-173, City Code, Article IX, Section 7, Appendix B, and Section 8.04(6), City Charter.

Reference City Code, Sections 2-75 through 2-77, for provisions that generally apply to all boards. Special requirements relating to this board, not included in Sections 2-75 through 2-77, are noted below.

The board has the following powers and duties: To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by the planning and economic development director or the building official in the interpretation or enforcement of Chapters 25, 27 or Appendices B, C, or D, City Code. To authorize upon appeal in specific cases such variance from the terms of Appendix B as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of the City Code could result in an unnecessary hardship. See variance criteria outlined in Appendix B, Article IX, Section 7.

The board consists of seven members and two alternate members. Alternate members may act in the temporary absence or disability of any regular member, or may act when a regular member is otherwise disqualified in a particular case that may be presented to the board. The chairman of the Planning & Zoning Board shall be an ex officio, non-voting member of the Board of Adjustment.

The City Council is authorized to establish a schedule of fees to be charged by the board.

The concurring vote of five members of the board shall be necessary (see Section 8.04, City Charter) to reverse any order, requirement, decision or determination of any administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance, or to effect any variation in such ordinance.

Any person aggrieved by any decision of the board may present to a circuit court a petition for issuance of writ of certiorari setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality in the manner and within the time provided by the Florida Appellate Rules.

Appendix D, Article II, City Code, sets forth the procedures for quasi-judicial hearings, ex-parte communications and site visits. The following applies to the members of this board:

- Members may not engage in ex-parte communications with the public or discuss or receive opinions from an expert witness or consultant, other than at a formally noticed hearing.
- In the event a board member does so, the member is required to disclose the ex parte communication or opinion received from the expert witness or consultant during the open public meeting.
- Members may discuss matters with City staff provided that disclosure is made. The member must identify the staff member, state the substance of the ex parte communication, and state the matters discussed, which the board member considers material to the board member's decision.
- Members may conduct site visits provided that disclosure is made. Disclosure shall include any information obtained by virtue of the site visit considered by the member to be material to the member's decision.

Board meetings are held the last Monday of each month at 6:30 p.m. in the Council Chamber of City Hall.
